The Twenty-Four-Hour Limit to Be The Secretary of War is in receipt of a cablegram from Gov. Wright announcing that Secretary Taft's instructions of Monquired to put to sea within twenty-four hours after taking coal and provisions suffi-cient to take the ships to the nearest port; that up to this time only enough coal and that up to this time only enough coal and sufficient food suplies for use in the harbor to last from day to day had been given, as they arrived in Manila with practically no coal or provisions.
